January 21, 2014

Personal details

Male, Married (Sept 13, 1990), 3 children (Julien, Nicolas, François)

Born in Huy (Belgium), April 27, 1967

Belgian citizenship

Primary appointments

Research Associate, National Fund for Economic Research

Professor of Economics, Université Catholique de Louvain (UCLouvain)

Education

Jun. 2000. Habilitation à diriger des recherches. Awarding institution: University of Lille 2, France. Supervisor: Prof. Bruno Amable.

Nov. 1995. PhD in Economics. Awarding institution: Université de la Méditerranée (Aix-Marseille II), France. Title : «L'avenir des retraites publiques face au vieillissement de la population» (Population aging and sustainability of social security). Supervisor: Prof. Philippe Michel.

Sep. 1991. MA in Economics. Awarding institution: UCLouvain, Belgium.

Editorial activities – Membership

Member of the Editorial Board of the World Bank Economic Review

Member of the Editorial Board of the Journal of Demographic Economics

Member of the Editorial Board of Regards Economiques

Member of American Economic Association (AEA), Latin American and Caribbean Economic Association (LACEA), European Economic Association (EEA), European Society for Population Economics (ESPE).

Awards – Grants – Fellowships

Research Fellow:

2012-: FERDI (Université d’Auvergne) – Research Fellow (Directeur de Recherche)

2007: Visiting Research Fellowship, the World Bank, Development Research Group, United States.

2007-: CReAM Research Fellow (non-remunerated), Centre for Research and Analysis of Migration, University College London, United Kingdom.

2003-: IZA Research Fellow (non-remunerated), Institute for the Study of Labor (IZA), Bonn, Germany (permanent visiting member from February 2004 to June 2004, on sabbatical leave from Lille).

Awards and Grants:

2009-2011: Grant – Multi Donor Trust Fund on “Labor markets, job creation and economic growth: scaling up research, capacity building and action on the ground”. Joint research project with G. Peri, C. Dustmann and G. Facchini on “Migration and labor market outcomes in sending and Southern receiving countries” - the World Bank, Washington DC.

2009-2010: Grant – Fondazione Rodolfo De Benedetti and CEPR on “The impact of highly skilled emigration on developing countries”.

2008: Developing Countries Prize 2008 - The Justus-Liebig-University Giessen, supported

by the KFW Entwicklungsbank Frankfurt.

2007-2010: TOM Research Training Network - Team Leader at the University of Louvain (non-remunerated), Marie Curie Actions - CEPR.

2003: Fellowship of the Canadian Embassy. Visiting Fellow - Ottawa University (August).

2003: Milken Institute Award for Distinguished Economic Research for the paper "Brain drain and LDC's growth: winners and losers".

1989: Prix de la Banque Nationale de Paris (Dissertation in Economics at the University of Liege).

Research topics

Population economics (international migration, brain drain, aging), Economic growth and development, Economic effects of public and private transfers, Computable OLG general equilibrium.

Experience

2005-: Research Associate, National Fund for Economic Research and Professor of Economics at the Université Catholique de Louvain (member of IRES), Belgium.

2013-14: Invited Professor, FERDI, University of Clermont-Ferrand, France.

2012: Invited Professor, University of Luxembourg (doctoral school).

2012: Invited Professor, University of Bordeaux IV, France.

2009-2014: Invited Professor, University of Nantes, France.

2008-2012: Research Director of IRES

2007: Visiting Research Fellow, the World Bank, Development Research Group, United States.

2003-: World Bank STC, Development Research Group, World Bank, Washington, USA.

1997-2005: Senior lecturer at the University of Lille 2, France.

1991-2005: Economic advisor at IWEPS, Regional government of Wallonia (part-time after 1997).

2001-2002: Invited lecturer - “Economic policy” at the Free University of Brussels, Belgium

1996-1997 : Invited lecturer - “Growth and cycles” at the University of Liege, Belgium.

1996-1997 : Research assistant at the University of Lille 2, France.

1992-1996 : Researcher at CORE, the Center for Operations Research and Econometrics, Catholic University of Louvain-la-Neuve, Belgium.

1989-1991 : Research assistant at the University of Liège.

Publications

Peer-refereed articles in English

1. International migration and the propagation of HIV in sub-Saharan Africa, F. Docquier, C. Vasilakis, D. Tamfutu Mumsi, *Journal of Health Economics* (2014), in press.
2. The labor market impact of immigration and emigration in OECD countries, F. Docquier, C. Ozden, G. Peri, *Economic Journal* (2014), in press.
3. International Migration, Transfer of Norms, and Home Country Fertility , M. Beine, F. Docquier, M. Schiff, *Canadian Journal of Economics* (2013), 45 (4), 1406-1430.
4. Brain drain in globalization: a general equilibrium analysis from the perspective of sending countries, L. Marchiori, I-L. Shen, F. Docquier, *Economic Inquiry* (2013), 51 (2), 1582-1602.
5. Globalization, brain drain and development, F. Docquier, H. Rapoport, *Journal of Economic Literature* (2012), 50 (3), 681-730.
6. Remittances, migrants’education and immigration policy: theory and evidence from bilateral data, F. Docquier, H. Rapoport, S. Salomone, *Regional Science and Urban Economics* (2012), 42 (5), 817-828.
7. Do brain drain and poverty result from coordination failures?, D. de la Croix, F. Docquier, *Journal of Economic Growth* (2012), 17 (1), 1-26.
8. Are skilled women more migratory than skilled men?, F. Docquier, A. Marfouk, S. Salomone, K. Sekkat, *World Development* (2012), 40 (2), 251-265.

9. The impact of MENA-to-EU migration in the context of demographic change, F. Docquier, L. Marchiori, *Journal of Pension Economics and Finance* (2012), 11 (2), 243-284.
10. Modeling the effect of physician emigration on human development, A. Bhargava, F. Docquier, Y. Moullan, *Economics and Human Biology* 9 (2) (2011), 172-183.
11. A panel data analysis of the brain gain, M. Beine, C. Defoort, F. Docquier, *World Development* 39 (4) (2011), 523-532.
12. Diasporas, M. Beine, F. Docquier, C. Ozden, *Journal of Development Economics* 95 (1) (2011), 30-41.
13. Should the US Have Locked Heaven's Door? Reassessing the Benefits of the Postwar Immigration, X. Chojnicki, F. Docquier and L. Ragot, *Journal of Population Economics* 24 (2011), 317-359.
14. Diaspora effects in international migration: key questions and methodological issues, M. Beine, F. Docquier, C. Ozden, *Swiss Economic Journal* (2010), 146 (4), 639-659.
15. On the robustness of brain gain estimates, M. Beine, F. Docquier, H. Rapoport, *Annals of Economics and Statistics* 97/98 (2010), 143-165.
16. Remittances and inequality: a dynamic migration model, I-L. Shen, F. Docquier, H. Rapoport, *Journal of Economic Inequality* 8 (2) (2010), 197-210.
17. Skilled migration and business networks, F. Docquier, E. Lodigiani, *Open Economies Review* 21 (4) (2010), 565-588.
18. Documenting the brain drain of "la crème de la crème": three case-studies on international migration at the upper tail of the education distribution, F. Docquier, H. Rapoport, *Journal of Economics and Statistics* 229 (6) (2009), 607-705.
19. A gendered assessment of highly skilled emigration, F. Docquier, B.L. Lowell, A. Marfouk, *Population and Development Review* 35-2 (2009), 297-321.
20. Is migration a good substitute for education subsidies?, F. Docquier, O. Faye, P. Pestieau, *Journal of Development Economics* 86 (2008), 263-276.
21. HIV prevalence, migration of healthcare staff and economic activity in Africa, A. Bhargava and F. Docquier, *World Bank Economic Review* 22 (2008), 345-366.
22. Skilled migration: The perspective of developing countries, F. Docquier, H. Rapoport, In J. Baghwati and G. Hanson (eds), *Skilled migration: prospects, problems and policies* (2008), The Russell Sage Foundation: New York.
23. Brain drain and human capital formation in developing countries: winners and losers, M. Beine, F. Docquier, H. Rapoport, *Economic Journal* 118 (2008), 631-652.

24. The brain drain, F. Docquier, H. Rapoport, *The New Palgrave Dictionary of Economics* (2007), second edition, Eds. Steven N. Durlauf and Lawrence E. Blume. Palgrave Macmillan.
25. School attendance and skill premiums in France and the US: a general equilibrium approach, D. De la Croix, F. Docquier, *Fiscal Studies* 28-4 (2007), 383-416.
26. Brain drain in developing countries, F. Docquier, O. Lohest, A. Marfouk, *World Bank Economic Review* 21 (2007), 193-218.
27. Measuring international skilled migration: new estimates controlling for age of entry, M. Beine, F. Docquier and H. Rapoport, *World Bank Economic Review* 21, (2007), 249-254.
28. Optimal accumulation in an endogenous growth setting with human capital, F. Docquier, O. Paddison, P. Pestieau, *Journal of Economic Theory* 134 (2007), 361-378.
29. Income growth in the 21st century: Forecasts with an overlapping generations model, D. De la Croix, F. Docquier and Ph. Liégeois, *International Journal of Forecasting* 23-4 (2007), 621-635.
30. Fiscal policy and educational attainment in the United States, X. Chojnicki, F. Docquier, *Economica* 74 (2006), 329-350.
31. International migration by educational attainment (1990-2000), F. Docquier, A. Marfouk, In C. Ozden and M. Schiff (eds). *International Migration, Remittances and the Brain Drain*, McMillan and Partridge: New York (2006).
32. The Economics of migrants' remittances, F. Docquier, H. Rapoport, In J. Mercier-Ythier et S.C. Kolm (eds), *Handbook on the economics of reciprocity, giving and altruism*, Handbook series edited by K. Arrow and M. Intriligator, Elsevier-North Holland (2006).
33. Simulating large scale OLG model with Troll, F. Docquier, Ph. Liégeois, *Computational Economics* 23(1) (2004), 1-19.
34. Income distribution, non-convexities and endogenous fertility, F. Docquier, *Economica* 71(282) (2004), 261-273.
35. Debt-sharing and secession : a generational accounting approach, Ph. Cattoir, F. Docquier, *Regional Studies* 38-3 (2004), 293-303.
36. Immigration and aging in the Belgian regions, M. Debuissson, F. Docquier, A. Noury and M. Nantcho, *Brussels Economic Review* 47(1) (2004), Special issue on skilled migration, 139-158.
37. Brain Drain and remittances: implications for the source country, D. Cinar and F. Docquier, *Brussels Economic Review* 47(1) (2004), Special issue on skilled migration, 103-118.

38. Growth and equity effects of PAYG pension plans, F. Docquier, O. Paddison, *Journal of Macroeconomics* 25 (2003), 47-71.
39. Ethnic discrimination and the migration of skilled labor, F. Docquier, H. Rapoport, *Journal of Development Economics* 70 (2003), 159-172.
40. Endogenous discrimination and migration prospects, F. Docquier, H. Rapoport, *Annales d'Economie et de Statistique* 71-72 (2003).
41. On the optimality of public pensions in an economy with life-cyclers and myopes, F. Docquier, *Journal of Economic Behaviour and Organization* 47-1 (2002), 121-140.
42. Life-cycle behaviour of US households : a GMM estimation using pseudo-panel data, M. Beine, F. Bismans, F. Docquier, S. Laurent, *Journal of Policy Modeling* 23 (2002), 713-729.
43. Policy reforms and endogenous growth in OLG computable economies, M. Bouzahzah, D. de la Croix, F. Docquier, *Journal of Economic Dynamics and Control* 16 (12) (2002), 2093-2113.
44. Brain drain and economic development: theory and evidence, M. Beine, F. Docquier, H. Rapoport, *Journal of Development Economics* 64 (2001), 275-289.
45. Bribing vote: a new explanation to the inequality-redistribution puzzle in LDC's, F. Docquier, E. Tarbalouti, *Public Choice* 108 (2001), 259-272.
46. Strategic and altruistic remittances, F. Docquier, H. Rapoport, in: J. Mercier-Ythier, L.A. Gérard-Varet and S. Kolm (ed.), *The Economics of Reciprocity, Gift-giving and Altruism* (2000), Palgrave publishers, MacMillan.
47. Education subsidies and endogenous growth: implications of demographic shocks, F. Docquier, Ph. Michel, *Scandinavian Journal of Economics* 101 (1999), 425-440.
48. Are migrants strategically self-selected?, F. Docquier, H. Rapoport, *Journal of Population Economics* 11 (1998), 579-588.
49. A stochastic simulation model of optimum currency area, M. Beine et F. Docquier, *Open Economies Review* 9 (1998), 227-255.

Peer-refereed articles in French

1. Migrations internationales et marché du travail dans l'UE15: enseignements des modèles à proportions de facteurs, F. Docquier, *Reflets et Perspectives de la Vie Economique* (2013/14), n.1, Tome II, 19-38.

Teaching

Since 2005: Development macroeconomics, Graduate students, Université Catholique de Louvain (same course in University of Nantes and University of Bordeaux IV)

Since 2008-: Séminaire d'Analyse de Politique Economique, Undergraduate students, Université Catholique de Louvain.

2008: International migration and the sending countries, CEPR-TOM Summer school in Gargnano (Lake Garda, Italy, August 24-27)

2004-2005: Seminar on welfare state and aging, Master program, University of Lille.

2003-2005: The economics of intergenerational transfers, Master Program, University of Lille.

2001-2003: Economic policy, Graduate students, University of Lille (and Free University of Brussels in 2001).

2000-2005: Regional economics, Graduate students, University of Lille.

1998-2005: Public economics, Graduate students, University of Lille.

1997-2005: Introduction to macroeconomic analysis, Undergraduate students, University of Lille.

1997 and 1998: Public economics, Students in Political Science, Institut d'Etudes Politiques de Lille.

1997: Microeconomic analysis, Undergraduate students, Athens European Institute.

1997: Industrial organization, Undergraduate students, University of Lille.

1997: Public Finance, Undergraduate students, University of Lille.

1996: Growth and cycles, Graduate students, University of Liege.

Supervision of PhD theses

1. December 2004. Xavier Chojnicki, "Immigration, finances publiques et bien-être dans les pays d'accueil : Une comparaison France - Etats-Unis", University of Lille 1 (France), co-supervision with Lionel Ragot.
2. October 2006. Abdeslam Marfouk, "Mesures et déterminants des migrations internationales par niveau de qualification", University of Lille 2 (France).
3. November 2007, Cecily Defoort, "Migrations qualifiées et capital humain : nouveaux enseignements tirés d'une base de données en panel", University of Lille 2 (France), co-supervision with Hillel Rapoport.
4. February 2009 : Elisabetta Lodigiani, "Skilled migration and diaspora externalities", Université Catholique de Louvain.
5. May 2009 : Cristina Neagu, "Essays in international economics", Université Catholique de Louvain, co-supervision with Caglar Ozden.
